STRATA MUGS - REACTIVE PINK

Late afternoon. Long Shadows. Cool drinks.
Sharing food & feasting with loved ones.
This is the season for *celebrations*.

THE BIG CALM

We look to nature, to clay, to all things earthly, to ground us. To make us feel whole, even if it is just for that short time. Just while we take a break ... to drink our tea. This season we focus inwards, to crafting pieces that create the space to enjoy the small rituals in life.

NEW ARRIVALS

Think peaches and cream. Our new
Hug Me Mugs are summer perfect.

FIELD DAY STUDIO

Field Day is a collaborative pattern studio created collection by two artists and friends, Louise Fernando and Shelley Steer. We have collaborated with them to create a striking new decorator collection. Japandi inspired silhouettes are the perfect backdrop to the Field Day's signature floral designs.

“Rest is not idleness, and to lie sometimes on the grass under trees on a summer’s day, listening to the murmur of the water, or watching the clouds float across the sky, is by no means a waste of time.”
