

# About us

---

Decor has been making Australians everyday lives easier and more enjoyable for over 60 years, with homewares that are beautiful, functional, affordable and made to last.

Originating in Melbourne, Australia in 1958, Décor has built its reputation on design excellence, product innovation and trusted quality.

Today there are over 500 products in the Decor range, including kitchen-ware, lunch and hydration, picnic-ware, garden-ware, baby products, brush-ware and other cleaning products.

With a strong commitment to research and development, new products are continually being introduced.

Self watering makes it easy to keep plants healthy

Range of trendy colours to suit any decor

## selfwatering

### Instructions:

1. When potting plant make sure you fill the hollow cones in the base of plant pot with potting mix.
2. Water your plant from the top for the first four days to ensure moist soil.
3. After the first four days you can continue to water plant as needed at top, or to ensure plant sips only the water it needs, water directly through the side opening hole on outside of pot.
