“Winter is the time for comfort,  
for good food and warmth, for the  
touch of a friendly hand and for a  
talk beside the fire: it is the time  
for home.”

Edith Sitwell / British Poet.

Our AW23 collections are directed by clay and the natural world. This season we have been carefully developing one of our most exciting releases yet. Each collection is a testament to the dedication and skill of our design team.
