A collection of handmade ceramic kitchen accessories is displayed on a light-colored, veined marble surface. In the upper left, a rectangular ceramic piece with three circular holes is partially visible. To its right, a shallow, wide ceramic bowl holds several dried, pinkish-red onion skins. Below this bowl, a small, round ceramic dish is filled with light-colored, almond-shaped seeds. To the right of the seed dish, a ceramic strainer with two small handles and a perforated base is shown. In the bottom left corner, a small, empty ceramic bowl sits next to a single seed. The lighting is soft and directional, casting gentle shadows and highlighting the textures of the ceramic and the marble.
