Family Bistro Furniture

Create the ultimate family dining experience

Australia's largest range of stocked and bespoke hospitality furniture solutions to help you transform your venue into the perfect spot for families to connect.

Furniture Range

We stock a wide range of indoor and outdoor commercial furniture, making it easy to furnish every area of your family bistro — from dining rooms to alfresco spaces.

Create a warm, welcoming environment where families feel comfortable, stay longer, and keep coming back. Because great furniture doesn't just fill a space — it helps create lasting memories.

At Cedar Hospitality, we offer extensive customisation options to meet your specific requirements for your Club Gaming Room.

Our standard vinyl finish has undergone and passed a rigorous 500,000 Martindale rub test, ensuring exceptional durability and longevity in demanding commercial environments. We are equipped to tailor upholstery and cushion firmness to your exact preferences. With thousands of stools manufactured annually, we have the experience and capability to produce stools to virtually any specification, including custom heights, integrated handles, gas-lift mechanisms, and more.
